Pharmacy services near you

**Find the most convenient place for you to
get the medicine you need.**

The pharmacies listed in this directory participate in the Rx Choice Tiered network, operated by our pharmacy benefit manager, Express Scripts, and available within Anthem Blue Cross (California). If you are covered by Anthem Blue Cross (California), the participating pharmacies in the following listing are considered in network for that health plan. If you have questions about this network, call the Customer Service number on the back of your health plan ID card.

Welcome

With your Anthem Blue Cross (California) health plan, you can choose from thousands of pharmacies across the country. You have access to many local, independent pharmacies as well as national chains. This directory shows you where you can easily get prescriptions, whether you're at work, at home — or even on vacation. Using these pharmacies in your plan can help you get the most out of your benefits. Just show your member ID card when you pick up your prescriptions.

Express Scripts, the company that manages your pharmacy services, has identified certain pharmacies that offer flu shots as part of your benefits. Please call the pharmacy to be sure it's a participating pharmacy before you get your flu shot.

How we Choose Pharmacies for our Plans

We offer pharmacy networks that provide members with choices and flexibility when filling prescriptions.

To ensure members have convenient access to participating pharmacies in their network, we offer local and national pharmacies including:

- National chains
- Grocery stores
- Independent pharmacies

The new Rx Choice Tiered Network is a pharmacy network that offers high quality healthcare services to members, while keeping copayments affordable. Members can save money on out-of-pocket costs by filling their prescriptions at a level 1 pharmacy. Members may also fill prescriptions at a level 2 pharmacy but will pay more out of pocket.

Pharmacies designated as level 1 were selected to ensure adequate network choices, competitive pharmacy pricing and convenience.

This directory is correct as of the date shown. You can also find a list of participating pharmacies at [anthem.com/ca](https://www.anthem.com/ca). For the latest updates, call the Member Services number on the back of your member ID card.

All members, including members with disabilities, are entitled to full and equal access to covered services. Anthem makes available to its members information relating to their health plan in alternative formats, including electronic, braille, large print and audio (CD or mp3). Members may request an alternative format of a member document by calling the Member Services number on the back of their member ID card, or by logging in and emailing us using the email feature on the Customer Support page of [anthem.com/ca](https://www.anthem.com/ca).
