# advantage > we care about you

Whether you are opting for coverage for the first time or have the opportunity to select a new plan, we encourage you to choose a health plan based on your own needs and expectations.

Western Health Advantage prides itself in being the choice of thousands—from Fairfield to Fremont and Penryn to Petaluma. We have a passion for health care, which is seen in our support of medical innovation and promotion of whole-person health to suit your changing needs. We are here to help you stay healthy and facilitate the care you need when you need it.

WHA understands that you have options in health coverage. Let us introduce you to what makes us the health plan of so many after 22 [and counting] years of service.

### we have choices for you

All individual plans from WHA include the Ten Essential Health Benefits and comply with the metal tiers established by the Affordable Care Act [ACA]. The essential health benefits include:

- 1. Ambulatory patient services
- 2. Emergency services
- 3. Hospitalization
- 4. Maternity and newborn care
- 5. Mental health and substance use disorder services
- 6. Prescription drugs
- 7. Services and devices: help with recovery from an injury, disability or chronic condition
- 8. Laboratory services
- 9. Preventive services: counseling, screenings and vaccines
- 10. Pediatric services: dental and vision care for kids

The metal-tier system, which designates a plan as bronze, silver, gold or platinum, helps you compare options.

- 2 The annual out-of-pocket maximum is the total amount that the member must pay for certain services in a calendar year.
- 3 Generally, all non-emergency care must be accessed through your primary care physician (PCP) within WHA's provider network. Obstetrical and gynecological services may be obtained directly without a PCP referral.
- 4 There may be an office visit copay if the primary purpose of a visit is not preventive or other services are provided.
- 5 See Copayment Summary for applicable prosthetic/orthotic device copayment amount.
- 6 Acupuncture services provided through Landmark Healthplan of California.
- 7 Pediatric eyewear provided through MESVision.
- 8 Provided through Delta Dental of California, including: Diagnostic and preventive dental care at no cost, basic dental care services, major dental care services, orthodontics when determined medically necessary.
- 9 Certain drugs may be categorized outside their respective tier. To confirm the tier level for any drug, refer to the Preferred Drug List (PDL). Oral anti-cancer drugs will not exceed \$200 for 30-day supply after deductible.
- 10 Deductible is waived for first three cumulative non-preventive care visits or services in a calendar year.
- 11 Percentage copayment amounts are based on WHA's contracted
- 12 The deductible and annual out-of-pocket maximum amounts are embedded, i.e. each member in the family must meet the Individual amount or the family must meet the Family amount before benefits will apply for that member.
