#### Cigna Medical and Pediatric Dental Plan Rate Sheet

Medical and Pediatric Dental rates applicable for insurance policies with effective dates between January 1, 2017 and December 31, 2017. The Pediatric Dental premium is included in the Medical rate.

#### **How to Determine Your Medical Plan Premium (Rate)**

- 1. In the Medical Rating Area Table, find the county you reside in and the corresponding rating area.
- 2. Find the page that identifies your rating area in the top right corner.
- 3. In the first column of that page, find the age of the policyholder.
- 4. Find the column which identifies the plan you are interested in. That number is the monthly premium for non-tobacco, and tobacco users.
- 5. If there is more than one family member, locate the premium for their age(s), and then add all the premiums together.
- 6. If there are more than three children under the age of 21, see Medical Plan Rating Rules.

#### **Medical Plan Rating Rules**

- 1. Medical rates apply to a maximum of 3 children under the age of 21.
- 2. **Tobacco use is not a rating factor.** For all plans, the rates do not vary whether an applicant does or does not use tobacco.
